

Curriculum

At Hari Singh Public School, Rewari, we follow a progressive and learner-centric pedagogy aligned with the guidelines of Central Board of Secondary Education. Our approach focuses on nurturing well-rounded individuals by integrating academics with life skills, values, and innovation.

Pre-Primary Wing (Nursery – KG)

At Hari Singh Public School, the early years are designed to be joyful, engaging, and developmentally appropriate. We believe that children learn best through play and exploration.

Key Features:

Play-way and activity-based learning

Storytelling, rhymes, and hands-on activities

Development of motor, social, and language skills

Safe, caring, and stimulating environment

Approach:

Our curriculum is theme-based and experiential, encouraging curiosity, imagination, and confidence in every child.

Primary Wing (Classes I – V)

The Primary Wing focuses on building strong foundational skills while nurturing curiosity and creativity.

Key Features:

Strong emphasis on literacy and numeracy

Interactive and activity-oriented teaching methods

Integration of digital tools and smart learning

Continuous assessment and constructive feedback

Approach:

We adopt an inquiry-based learning approach where students actively participate, ask questions, and connect learning with real-life experiences.

Middle Wing (Classes VI – VIII)

In the Middle Wing, students are guided towards deeper understanding and independent thinking.

Key Features:

- Conceptual clarity through experiential learning
- Project-based and interdisciplinary approach
- Focus on critical thinking and analytical skills
- Equal importance to academics and co-curricular activities

Approach:

We encourage collaboration, creativity, and problem-solving, preparing students to apply knowledge effectively in diverse situations.

Senior Wing (Classes IX – XII)

The Senior Wing prepares students for academic excellence and future career pathways with a structured and focused curriculum.

Key Features:

- Comprehensive coverage of CBSE curriculum
- Emphasis on board exam readiness and performance
- Practical learning through labs, projects, and research
- Career guidance and personality development

Approach:

Our pedagogy focuses on application, analysis, and evaluation, equipping students with the skills required for higher education and global competitiveness.
